06/15/24	Zohair
	Erich
	Martin
	Mohammed
		- Comb over files to homogenize terminology.
		- Prepare business proposal.
		  - Timeline for software
		  - What the expected features are for MVP.
			Worked on Business Proposal
			Assigned rough draft of presentation due Tueday
			Clarified objectives regarding the class and the business: our goal is NOT to create a software FOR the business, but
				ZK
				EB
				MB
				MA

		- Plan how to deal with using the software in perpetuity. - Begin preparation of PPT.	to work WITH the business to create software that may be useful in the future Assigned final draft due Wednesday Will discuss the business proposal further on Thursday after class.
